PRICE, FIVE CENTS.

COUNCIL MEETING.

COMMITTEE APPOINTED TO INVESTIGATE PAVEMENTS.

Streets and Alleys to be Repaired—Monthly Reports Received and Bills Allowed.

The city council met in regular session at the council room last night and was presided over by Mayor Stevens.

The following councilmen were present:

Bosserman, Dean, Dugan, Deckman, Honkomp, Hutchinson, McKenzie and Wigton.

The minutes of an adjourned and special session were read and approved. Mayor Stevens then brought up the Third street paving and asked the council to hear Mr. Quigley on the Telford pavement.

Mr. Quigley's remarks were terse and to the point. He explained how the Telford streets in St. Louis were made and said they were the finest avenues for driving purposes in the world. They were built similar to the paving on Fifth street.

The base was properly rolled with a big roller; then stone was set edgewise and the interstices filled in with crushed limestone and then rolled; a top layer of crushed limestone and gravel well rolled completed the pavement and no asphalt was used as a top dressing. This kind of a pavement he said could be built for 50 or 60 cents per square yard, a much less amount than improved Telford and would last just as long. However, if the people of Sedalia were not satisfied with the kind of streets which were good enough for the finest St. Louis avenues they could then put a coat of asphalt on top at an additional cost of 30 or 40 cents per square yard.

Several other citizens spoke on the paving of the street and all seemed to be of the opinion that no steps be taken until the improved Telford pavements could be fully investigated.

Mr. Hutchinson made a motion that Capt. S. C. Gold appoint a committee consisting of Third street citizens to investigate the Telford pavement and if necessary visit St. Louis to examine their streets. Motion carried and Capt. Gold requested to have the committee report to the city attorney the results of the investigation in time for him to draw up an ordinance for the paving of Third street by next Monday night.

A petition was received from the Missouri State Fair association asking that the waterpipes be extended from Prospect to Barrett avenues as water was badly needed on the new addition to the fair grounds. Petition was referred to the waterworks committee.

A petition was read requesting that A. R. Laird be appointed on the police force but was not acted upon.

The mayor named William Drake as colored policeman and was confirmed with only one dissenting vote. The appointment of John Myers was confirmed by the same vote.

Mr. Bosserman reported a number of needed repairs on streets and alleys and they were ordered made.

Mayor Stevens advised the purchase of an additional team of horses for the fire department.

On motion of Mr. Honkomp the police court room was ordered papered and otherwise repaired and file cases, for the use of the city attorney, recorder and marshal provided.

Mr. Dugan offered a resolution that the public building committee be instructed to secure an estimate on the cost of building a new council chamber mayor's, city clerk and collector's office in one structure all the room to be on the ground floor with the exception of the council chamber.

Resolution carried and the matter referred as requested.

The reports of the city officials for April were received and placed on file, showing collections as follows: City collector, \$3,497.82; city recorder fines assessed \$1,062; fines collected, \$321; weighmaster and inspector, \$158.80; city marshal \$321.

A large number of bills were received and after being read, on motion of Mr. Dugan they were allowed.

At the suggestion of Mayor Stevens the public building committee was instructed to insure the council building.

Mr. Hutchinson called attention to the fact that a great number of

the young men of the city were carrying concealed weapons and he thought it would be advisable for the mayor to issue a proclamation withdrawing all permits issued in February.

Mayor Stevens gave notice that he would issue such a proclamation and would state further that the law would be strictly enforced.

The clerk was instructed to correspond with all cities of the third class in the state and arrange for a meeting here in order to prepare for a united effort to get some legislation on the tax question meeting to be held in August, if possible.

Council adjourned to meet next Monday night.

The Number of Visitors the Queen City Will Be Called Upon to Entertain.

Now that the time draweth nigh when Sedalia will be called upon to entertain the largest body of men that has yet, perhaps, assembled within her confines, it might not be amiss to briefly review the programme to be rendered so that the reader may better acquaint himself with the magnitude of the occasion. Reference is made to the state encampment of the order of Odd Fellows to be held here week after next. Strictly speaking, the session will be begun Monday, May 16th, by the Daughters of Rebekah, though it will be Tuesday afternoon when the full representation of the Grand and subordinate lodges throughout the state may be seen in parade.

During the forenoon of Tuesday the Grand lodge will hold a regular session, and visiting cantons lodges and encampments will be assigned to quarters where preparations will be made for the grand parade.

In the course of an interview held with the secretary on the committee for arrangements, Col. J. W. Truxel, the gentleman stated that beyond question the largest crowd would be here that has yet visited Sedalia. Said he, "There are just 467 subordinate lodges in the state with an average membership of twenty-five (and this is putting it at the bottom notch). Now supposing that each lodge is represented by one fifth of its members (and this is certainly a conservative estimate). This will secure a representation from the state of over 2,000. But this is not to be the extent of the affair. I am receiving letters on every train from those belonging to no order whatever, making inquiries as to accommodations, &c. I feel justified in saying that with both Odd Fellows and visitors, we will have within our gates not less than 3,000 people."

On Tuesday evening at 8 o'clock the Odd Fellows will convene in Wood's opera house to hold a love feast, as it were, addresses appropriate to the occasion being programmed for delivery, such as the address of welcome, response etc., The Sedalia Band will furnish music for the occasion, having prepared some choice selections.

On Wednesday afternoon at 3 o'clock the Rebekah Degree Corps will compete for an elegant prize offered for the best drilled Corps.

On the evening following at 8 o'clock a magnificent banquet will be given in honor of the Grand lodge and Grand Convention of Bebekah.

HEAVY RAINFALL.

Considerable Damage Thought to Have Been Done By Last Night's Flood.

The heaviest rainfall of the season occurred in this section last night.

All day the sky was darkened by wandering clouds which commenced to blacken and gather till about 9 o'clock when they began to empty themselves in torrents.

From the time above mentioned till morning the elements raged furiously, flooding the country for miles around. There can be but little doubt that considerable damage was done.

It is reported that traffic on quite a number of railroads was practically stopped for awhile; indeed the south bound M., K. & T., train which departs from Sedalia at 6:15 was up to a late hour this morning delayed, on account of a bad washout thirty-five miles beyond Parsons, at a point called Blue Jacket, in the territory.

LIVELY TIMES.

REV. BRADY SCORED BY INDIGNANT VOCALISTS.

The "Native Silver" Sequel Still Agitates Interested Parties--Invited to Explain.

WENT TUESDAY BRIDGE. Rev. Brady, formerly pastor of the Calvary church of this city, seems to have aroused a veritable hornet's nest and, judging from the reports of Denver papers, they are making it quite lively for the reverend gentleman.

The Times says:

"At this period of social development, the church choir rumpuses have become a matter of course, but the difficulty between the singers of St. Mark's church and Rev. Cyrus Brady, rector, has assumed conspicuous proportions, and if there is any singing done next Sunday at the regular services it is highly probable that it will be done by a new set of voices. Indignation ran high at the meeting held at the conservatory of music of the university of Denver last evening, and Rev. Mr. Brady was handled in most expressive language. Representatives of the choirs of Trinity M. E., St. John's cathedral, First Congregational, Central Presbyterian, Unity and St. Mark's churches, as well as the choirs of various other houses of worship were in attendance.

W. A. Pierce, of St. Mark's choir was called to the chair, and the sermon of Rev. Mr. Brady came up for discussion.

W. T. Krum declared that it was a malicious attack intended to injure Mr. Houseley more than the choir, though its effect was instan-

taneous and overwhelming upon the ladies, who have not yet ceased shedding tears over the matter.

SENT FOR THE RECTOR.

Finally Joe Hutchison volunteered to pay for a carriage to go for Rev. Mr. Brady that he might make an explanation. Messrs. Krum and McCullum were appointed a committee to wait upon Rev. Mr. Brady and invited him to attend the meeting. Pending their return, an informal recess was taken. The committee, after an absence of half an hour, re-entered the hall and Mr. Krum stated that Mr. Brady declined to appear before the meeting.

THE EXPRESSIVE RESOLUTIONS.

A committee was then appointed to draft resolutions expressive of the sentiments of those present, and reported as follows:

WHEREAS, At a meeting of the male members of St. Mark's choir, the principals, chorus and members of the "Native Silver" opera company recently produced in this city, and

WHEREAS, An unprovoked attack was made by a minister of this city upon the ladies who took part in said opera, and

WHEREAS, That inasmuch as a committee was appointed to wait upon Mr. Brady, requesting him to appear before this meeting and to listen to certain charges made against him, to give him an opportunity to refute said charges, and

WHEREAS, The said Mr. Brady declined to come before said meeting, notwithstanding a carriage was placed at his disposal, it was unanimously

Resolved, That the Rev. Mr. Brady erred in selecting one of the most vicious examples of depravity in biblical history as a parallel to the dress, behavior and deportment of the ladies in "Native Silver."

Resolved, That it appears from evidence that Mr. Brady's attack was inspired by maliciousness, by a desire to gratify a personal spite and to make a pulpit sensation.

Resolved, That it further appears from information produced at said meeting that Mr. Brady is acting a

hypocrite in pretending to make this attack through a sense of duty and finally

Resolved, That this meeting condemns Rev. Mr. Brady in his attack upon defenseless ladies, and that his conduct is unworthy of his position as a minister of the gospel.

These resolutions were unanimously adopted and the meeting adjourned.

THE INDIGNANT INDIVIDUALS.

Among those present were Messrs. W. A. Pierce, S. Woods, C. F. Leimer, J. Hutchison, Bert Havens, T. G. Littlehacs, Henry Houseley, H. T. Speedie, Harry Martin Brooks, C. E. Southard, R. H. Southard, W. T. Krum, J. F. Barber, M. McCollum, Hart, Meisiter, S. E. Brown, A. D. Sayer, A. D. Thornton, J. E. Jenkins, W. B. Ravenhill, J. F. Boyle, E. R. Perkins, McCurdy, Lapham, Cowell, Warren.

Dr. N. G. Burnham has resigned as a vestryman of St. Mark's, and his resignation is said to have been caused by the rector's attitude toward the choir."

ANSWER TO MY ADV'T.

In the EVENING DEMOCRAT.

"I would earnestly advise them for their good to order this paper to be punctually served up and to be looked upon as a part of the tea equipage."—ADDISON.

DEMOCRATS, remember the club meeting to-night.

How many men have had their wages raised by the McKinley bill?

THE Queen City is rapidly growing in favor as a convention town.

LET there be a democratic club organized in every township in Pettis county.

SEDALIA will send to the A. O. U. W. celebration in St. Louis a delegation to be proud of.

If Cleveland can carry New York he is the strongest candidate the democracy can name. But can he carry his state?

THE committees to arrange for entertaining the delegates to the democratic state convention meet to-night at the democratic club rooms.

EVERY business man in Sedalia, whatever his politics, is interested in seeing the delegates to the state convention entertained in the most hospitable manner.

If MAJ. WILLIAM WARNER were ten times as popular as his admirers imagine him to be, he could not win a race handicapped with a republican nomination for governor.

"REPUBLICAN reciprocity" means free trade with those nations that buy our manufactured goods and no trade with the countries where we could sell our wheat, corn, beef and pork to the best advantage.

THE goldbugs say the free coinage of silver would raise the price of everything. It is true and that's what the masses of the people want it for. Everything except stocks and bonds has been selling too low for many years.

THE office of representative is one of the most important the people have to fill, and, as it is regarded as the head of the ticket, the party should by all means select for nomination one of its strongest and best men—one who will command the united support of the party.

HEREAFTER, when railway employees contemplate forming a club, they should first get the consent of the *Gazette*. Having assumed the role of party boss in the last city election, Editor Streit is going to play it to the end whatever may be the effect on the republican party.

WHILE the best and strongest men should always be put to the front, still, when there is no differ-

ence in the qualifications of those offering for party honors, geographical lines should be considered. This being the case, the south end of the district should be accorded one of the delegates to Chicago, and, in Judge Rechow, Polk county presents a man who is worthy of the honor.

THE announcement of Mr. Robert W. Prigmore, a candidate for the office of representative of Pettis county, subject to the decision of the democratic primary election appears elsewhere in this issue. Mr. Prigmore is well known to the democrats of the county, having with distinguished ability and commendable fidelity filled the office of assistant prosecuting attorney until a few months ago. He is in every respect worthy of the honor he seeks and would rank as one of the leading members of the house. He is not only an honorable gentleman, but is also a sincere, consistent democrat and would command the united support of the party in November, and should he receive the honor of a nomination his election will be a certainty and his course in the legislature a source of pride to every citizen of the county.

THE DEMOCRAT is glad to see the spirit of harmony displayed in the Cooper county democratic convention. This paper has never believed that Col. Lon V. Stephens would have any difficulty in carrying his own county, but the real harmony shown in the convention is most satisfying in that it points to the success of the democratic party in the county. This paper desires to see Mr. R. T. Gentry made the nominee for state treasurer, but is free to say that Lon Stephens deserves the endorsement and confidence of his county, just as Dick Gentry deserves and will receive that of Pettis and Frank Pitts that of Monroe. They are all gentlemen and democrats without spot or blemish.

THE *Gazette* thinks the club composed of railway employees should proclaim itself a democratic organization. The *Gazette* is right for once. All labor organizations should be democratic clubs, as all laborers should be democrats. The democracy is the party of the people, and the only political organization that fights the battles of the masses as against the classes, and all producers—men who work with brain or hands—should be members of that party, and all organizations of laboring men should be auxiliaries of the regular democratic clubs.

WHENEVER a goldbug begins to talk of "depreciated silver" just ask him to compare the "depreciation" of silver with the depreciation in the price of corn, wheat, cotton, beef, pork, iron or almost any of the staple articles produced in this country. Just make the comparison and see if silver is not about on a par with the products of labor in the matter of depreciation.

In politics no man is entitled to any favors the conferring of which will weaken the party conferring them. Democrats should bear this in mind in making their nominations from president down to constable. Where the success of democratic principles is at stake, no one should ask or expect the party to carry dead weight.

THE St. Louis *Sunday Mirror*, the organ of the Maffit-Francis crowd, admits that the late primary in St. Louis was only a battle between rival bosses, and that the interests of the party were ruthlessly sacrificed to gratify personal malice or individual ambition.

THE primary in Kansas City, judging from the newspaper reports, was only slightly less disgraceful than the fight between the rival factions in St. Louis. The country democracy will have to do some missionary work, and it should do it with a club.

THE democratic members of congress made a great record Monday by taking up in the house and passing the bill placing binding twine on the free list. Now for a few more licks in the same direction.

If Cleveland does not receive the presidential nomination he will accept a prominent place and a

princely salary in the New York Life Insurance company.

WHEN the "silks" down "de ole man" as they did at Jefferson City they but nerve him to teach them another lesson.

FILLEY is again kicking and the republican harmony nunters begin to feel blue.

SOLID FOR HEARD.

Greene County Democrats Select Delegates.

The democratic convention of Greene county met at Springfield Monday and selected delegates to the various conventions. A north appeared in a north direction. Does he lose his money on horse races?

The following resolutions were adopted: "That the delegates selected to the various conventions go in person and not by proxy, and in the absence of any delegate the delegates present cast the vote of the delegation.

That we reaffirm our devotion to the principles enunciated in the democratic platform of the national convention of 1888.

That we heartily endorse the administration of Governor David R. Francis.

That Hon. John T. Heard, having demonstrated by service already rendered in congress, that he is an honest and capable public servant and a friend of the people, our delegates to the congressional convention are hereby instructed to give him the vote of this county in the congressional convention at Sedalia, June 7."

The delegates to the state convention are solid for Cleveland and for Capt. C. B. McAfee for delegate from this district to the Chicago convention.

Judicial Convention.

HIGGINSVILLE, Mo., April 29, 1892.—The Democratic Central committee for the Sixth judicial circuit, composed of the counties of Lafayette, Pettis and Saline, met at Arcade hotel at 6 o'clock p. m., pursuant to adjournment at Sedalia on the 26th inst. Present, James Wingfield, Sec. from Saline county and Judge Wm. Young, chairman from Lafayette county.

The following resolution was offered and adopted:

Resolved, That a democratic judicial convention be and is hereby called to convene at Higginsville, Lafayette county, Mo., on the 9th day of June, 1892, at 10 o'clock a. m., for the purpose of nominating a candidate for the office of judge of circuit court for the Fifteenth judicial circuit, state of Missouri, and that the basis of representation be one delegate for every 250 votes or a fraction of 125 or over as cast for Cleveland for president in 1888, which makes the basis of representation as follows:

Lafayette county, 15 delegates.
Pettis county, 13 delegates.
Saline county, 18 delegates.

Also to select a central committee for the ensuing six years.

It was further ordered by the committee that the secretary forward to the chairman of the different County Democratic committees within said circuit copies of these proceedings with the request that they call their township and county conventions and select their delegates to this convention under such rules and regulations as they usually enforce governing other calls.

There being no other business before the committee the same was adjourned subject to the call of the chairman.

WILLIAM YOUNG, Chairman.
JAMES WINGFIELD, Secretary.

Solid for Yeater.

From the Lamotte Record.

The *Record* notices with pleasure the complimentary terms in which the Saline county papers speak of Hon. Charles E. Yeater in his candidacy for the state senate. No more capable, able or worthy democrat resides in the district, and we are glad to know that our sister counties are becoming acquainted with his worth. He has been prominent in Pettis county local politics for many years, at all times coming to the aid of his party, and on many occasions at a sacrifice to his business and without price. A young lawyer of prominence, a gentleman in every particular, a worthy, active and working democrat, and a man in whom the district may rest its legislation with safety resting assured that the trust will be honorably, dignifiedly cared for.

Saline Will Support Him.

From the Marshall Democrat-News.

Hon. Chas. E. Yeater, of Sedalia, will have no opposition for state senator from this district. His nomination by acclamation is assured and Saline county will give him that support which a clean, able, energetic and sound democratic nominee always receives at her hands.

Grand Ball.
The Sedalia Military band will
give a grand ball at Armory hall on
Friday evening for the benefit of
the band. Music will be furnished
by them, and a good time is ex-
pected.

Bright Outlook.

The State Poultry Convention to
be held in Sedalia May 20th prom-
ises to be quite a successful affair as
large number of dealers throughout
the State have signified their in-
tention to the local committee to be
in attendance. The chief object of
the convention will be to take steps
toward having the best possible
poultry exhibit from Missouri at
the World's Fair.

The enterprise is certainly com-
mendable and deserves the encour-
agement of all.

Will Leave to Night.

Harry Swearingen received a
message this morning telling him to

come to Jacksonville, Ill., at once
as there was an opening in the
base ball club there and they
wanted him to cover second base
for them. That city is in the Illi-
nois state league and has one of the
best clubs in the league.

Harry is a good, steady young
man, a good ball player, and the
DEMOCRAT is glad to see him come
to the front and hopes for his suc-
cess in his new location.

ARRANGEMENTS PERFECTED.

The Sedalia Flambeau Club will do
the Pyrotechnic act in
St. Louis.

The Sedalia Flambeau Club held
a meeting last night to make final
arrangements to attend the A. O. U.
W. convention in St. Louis May
12th.

After some discussion a contract
was drafted and signed binding the
club to take part in the parade. All
expenses entailed by the club are to
be paid by the order, including rail-
road and hotel fare and all incident-
als necessary for their comfort and
enjoyment.

Seventy-five men will constitute
the club and they will be thorough-
ly drilled and equipped for the oc-
casion.

The meeting last night was at-
tended by Capt. Dellacella who de-
parted for his home St. Louis at
midnight.

John B. Henderson.

Ex-United States Senator John B.
Henderson was a passenger on the
noon train to-day en route from
Kansas City to St. Louis. Senator
Henderson was elected to office on
the republican ticket in 1861 while
a resident of St. Louis county and
continued in office eight years.

It is superfluous to add that he
is immensely wealthy. He chat-
ted pleasantly with a DEMOCRAT
reporter while the train waited at
the depot and declared among other
things that he wasn't in it any
longer so far as politics is con-
cerned.

Henderson's family lives in Wash-
ington and he is engaged in the
practice of law.

Revival Services.

Notwithstanding the weather was
unpropitious on last evening there
was a good attendance at the re-
vival services at the Methodist E.
Church South, and there was consid-
erable interest manifested. A great
work indeed is being accomplished.

The programme for this evening,
May 3rd, 1892, is as follows:

Song service at 7:45 o'clock. A
sermon, by Rev. Wm. B. North, on
the text: Two men went up into the
temple to pray: the one a Pharisee,
and the other a publican" St. Luke
18:10. All are cordially invited,

COOPER'S CONVENTION.

Harmony Reigned and the Ethnic
Existing Factions Melted Out.

Capt. Bronaugh and Col. Charles
Leonard, each of Cooper county,
passed through this morning en
route to Texas.

Both gentlemen were highly
elated over the result of the county
convention held in Cooper yester-
day.

As would naturally be expected,
it being his home, the county en-
dorsed Col. Lon V. Stephens for
state treasurer. For delegate at
large to attend the national con-
vention at Chicago the county in-
structed for Hon. John Walker.

Both Capt. Bronaugh and Col.
Leonard expressed themselves as
highly pleased over the spirit of
harmony that pervaded the con-
vention, for it was expected that it
would be characterized by much
discord.

"Factions are now virtually
blotted out in our county politics,"
declared one of the gentlemen,
"and it is now our purpose to unite
for the on coming campaign and
secure a democratic victory. There
may have existed a diversity of in-
dividual opinion among some of our
citizens before the convention re-
lative to the merits of the several
aspirants but now that we have cast
the die we propose to stick together
and overwhelm the republican
enemy."

Funeral.

The funeral of Blanche Kolbohn,
an account of whose death was con-
tained in yesterday's DEMOCRAT,
took place at the M. E. church,
south, this afternoon at 2 o'clock.

The Y. M. C. A. will give a drill

masonry last night the lodge re-

Medical Society.

The Pettis county Medical society
met last night in the county court
room with a good attendance and
an interesting programme.

A paper was read by Dr. E. C.
Evans and a case presented by Dr.
Yancey for examination.

The society decided before ad-
journing to use its utmost endeavors
to secure the selection of Sedalia
for the next meeting of the state
medical convention.

Jumped the Track.

The fast mail, west bound, had a
narrow escape from a serious ac-
cident this morning. At the tank
near Lamonte, the trucks of the
tender jumped the track but after
the train had run about 100 yards
they jumped back upon the track.
After running about a half mile the
train was stopped and backed down
to the side track where it remained
until another engine was sent up
from this place.

Growing Worse.

Mrs. E. Barnes who has been
very ill for some time is growing
worse and her recovery is des-
paired of.

No, For Nebraska.

Dr. I. M. Houston and Geo. W.
Ferrel, the latter of whom has been
connected with the local press for
the past year and a half, left this
afternoon for Falls City, Nebraska.
Dr. Houston, who is the medical
director of the Gold Cure company

at Falls City, has made many
friends during his brief sojourn in
Sedalia, and is a most pleasant and
accomplished gentleman, profes-
sionally and socially. Mr. Ferrel
expects to remain in Nebraska for
at least a month.

ARRESTED.

Bad Cooper The Alleged Rapist
Behind the Bars.

Quite a sensation was created on
the announcement of the outrage
suffered by Mary Goodwin, color-
ed, Sunday night on account of the
rumor that she was a white woman.
Just how the facts became per-
verted cannot be learned. However,
there were several misrepresenta-
tions in the report.

In the information filed against
Bad Cooper the negro who assault-
ed the woman no reference is
made to rape whatever. The
charge is simply that of assault and
battery.

From what can be learned the
woman herself is of decidedly
questionable character, her hus-
band having left her on account of
her unfaithfulness. Cooper was
arrested about 11 o'clock this
morning by Officer Billy Drake,
colored. It cannot be denied,
though, that if guilty of kicking the
woman as she alleges, Cooper
should be subjected to the rack.

He was arraigned before Justice
Fisher this afternoon on the charge
of assault and battery, and as the
prosecuting attorney was not here,
his trial was continued until Friday,
May 6th.

COUNTY COURT.

The Afternoon Session Interrupted
by a Delegation of Ladies.

The forenoon was occupied by
the county court in settling with
road overseers.

In the afternoon the session was
interrupted by a delegation of ladies,
headed by Mrs. Patti Moore, who
came down on the court like the
wolf on the fold, but to secure an
appropriation of \$2,000 for a Pettis
county exhibition at the World's
Fair. Mrs. Moore acted as spokesman
for the delegation and in a well
worded speech put the matter be-
fore the court, giving as her opinion
that the money expended in such
an enterprise would be seed sown
in good ground. "I am satisfied
that the advertising to be derived
from such a project will be worth
more to Pettis county," said Mrs.
Moore, "than ten times the amount
of money expended. The thous-
ands and thousands who
will admire our exhibit will be
led to inquire about Pettis county
and no doubt many will be induced
to locate within your borders."

Mrs. Moore stated that Jackson,
St. Louis, Buchanan and other
counties had virtually agreed to
make an appropriation and as Pettis
is the home of the president of the
commission it is the earnest desire
that she head the list in the line of
making an individual appropriation.
The court took the matter under
advisement.

TOOMES CAUGHT.

Both Men Were Arrested and Now
Languish Behind the Bars.

P. C. Toomes, wanted in Sedalia
by quite a number of merchants with
whom he and the man Davis suc-
ceeded in transacting considerable
business, was arrested by a Ran-
dolph county constable yesterday
morning and brought here last eve-
ning at 6:10. The prisoner was
at once conveyed to the
county jail where he and his
brother-in-law, now languish to-
gether.

Toomes refused to talk when
questioned, saying that any infor-
mation desired could be received at
his trial.

He did protest, however, that he
had no intention of defrauding
those who caused his arrest.

Davis, as was stated previously,
is married, while Toomes is single.
May 10th is the date fixed for the
preliminary hearing.

Circuit Court.

The case of C. H. Patterson vs.
R. Stevenson, replevin suit which
involved possession of a number of
porkers culminated late last eve-
ning in a verdict for the plaintiff,
damages to the amount of one cent
being allowed. A case of equal
significance was tried to-day. Suit
being brought by Dr. W. H. Evans
against S. R. Cockrill to secure a
fee bill of \$10. The case was ap-
pealed from a Saline county justice
court. Up to the time of going to
press the jury had rendered no
verdict.

Military Orchestra Ball.

dalia Military orchestra will be

evening, May 6th.

nish the music, and a good time is
guaranteed to all.

to two parties this morning on the
charge of trespassing on the grounds
of the Missouri Pacific railroad.

paid it.

the same and not having it he was
given a chance to amuse himself
on the rock pile for awhile.
